Custom Capabilities

We are often asked for custom versions of our existing products, especially picture lights. Picture Lights are easily adapted to lighting book-cases and display areas. We work with our customers on adapting finishes, length of the shade and arms, size of the backplates, changing the switches and altering the cord length. We are proud to be able to provide that custom product for your customer. Please call our Customer Service team for a quote 1-800-428-5367.
